

Date: 10 March 2022

Address: 35 Km Tabriz-
Maragheh Road Tabriz, Iran

Dear Colleagues

We are pleased to announce that "21st ICS International Chemistry Congress (ICC 2020)" will be organized on 26-28 July 2022 by Azarbaijan Shahid Madani University, Department of Chemistry in Tabriz, Iran. ICC 2022 will provide a platform for sharing the knowledge and results of recent researches on all fields of chemical science to chemical community including academics and industry. The main goal of the ICC 2022 is to develop the scientific collaborations between academicians and chemical industry experts and creating a strong link between them. Special sessions including invited speakers, poster and oral presentations, exhibition of chemical equipment and also chemical industries will be included in the congress program. For more information about ICC 2022, please visit

the www.icc21.azaruniv.ac.ir

We are looking forward seeing you in ICC 2022 and beautiful city of Tabriz

Dr. Amir Abbas Matin

Congress Chairman
